... Beauty is not a need but an ecstasy.

It is not a mouth thirsting nor an
empty hand stretched forth,

But rather a heart enflamed and a
soul enchanted.

It is not the image you would see
nor the song you would hear,

But rather an image you see
though you close your eyes and a
song you hear though you shut your ears.

It is not the sap within the furrowed bark nor a wing
attached to a claw,

But rather a garden forever in bloom and a flock of
angels forever in flight.

... Beauty is life when life unveils her holy face.

But you are life and you are the veil.

Beauty is eternity gazing at itself in a mirror.

But you are eternity and you are the mirror.

Creativity is on our side.

Love is on our side.

Beauty is
on our side.

Miracles are
on our side.

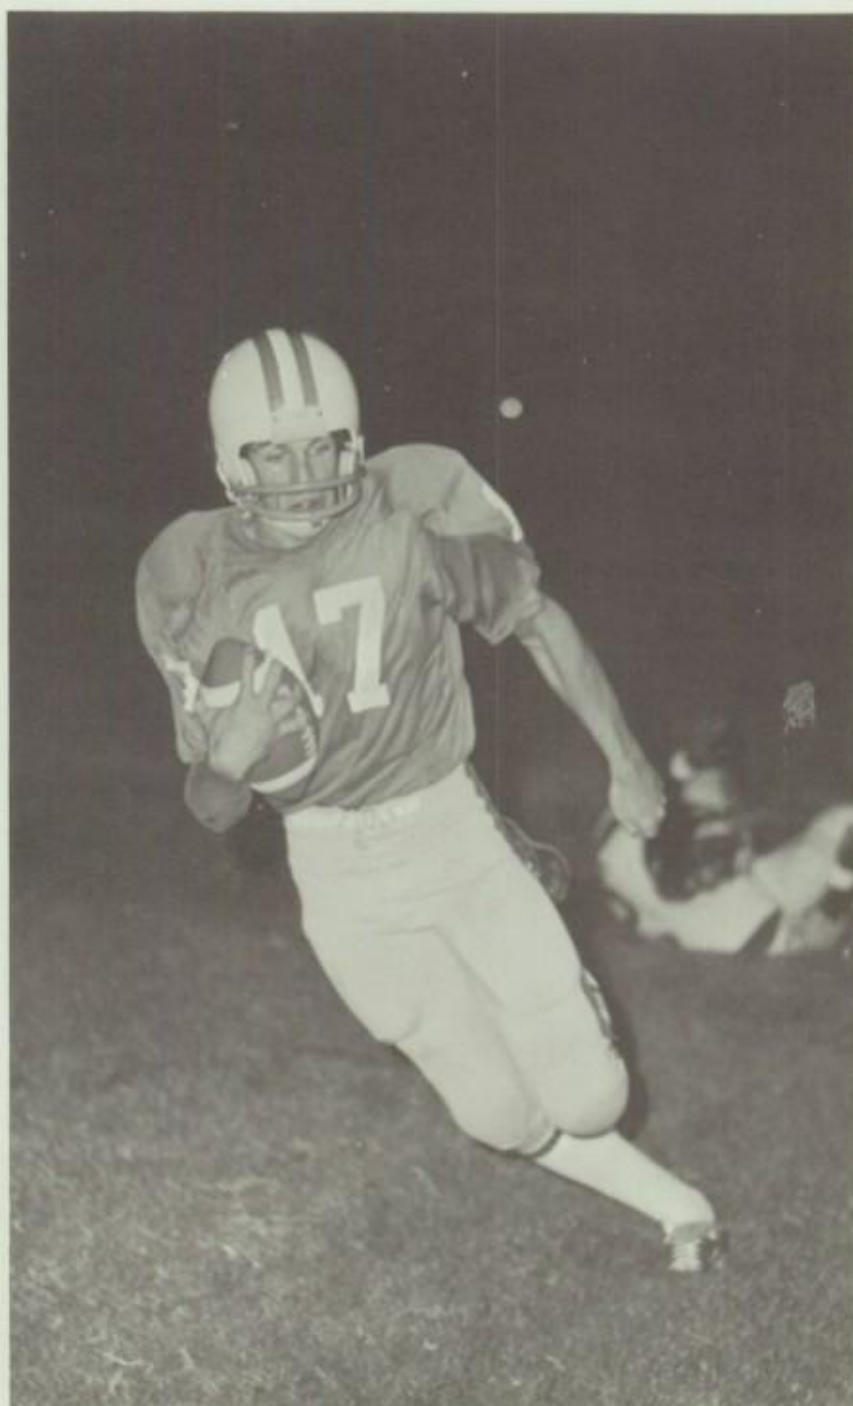

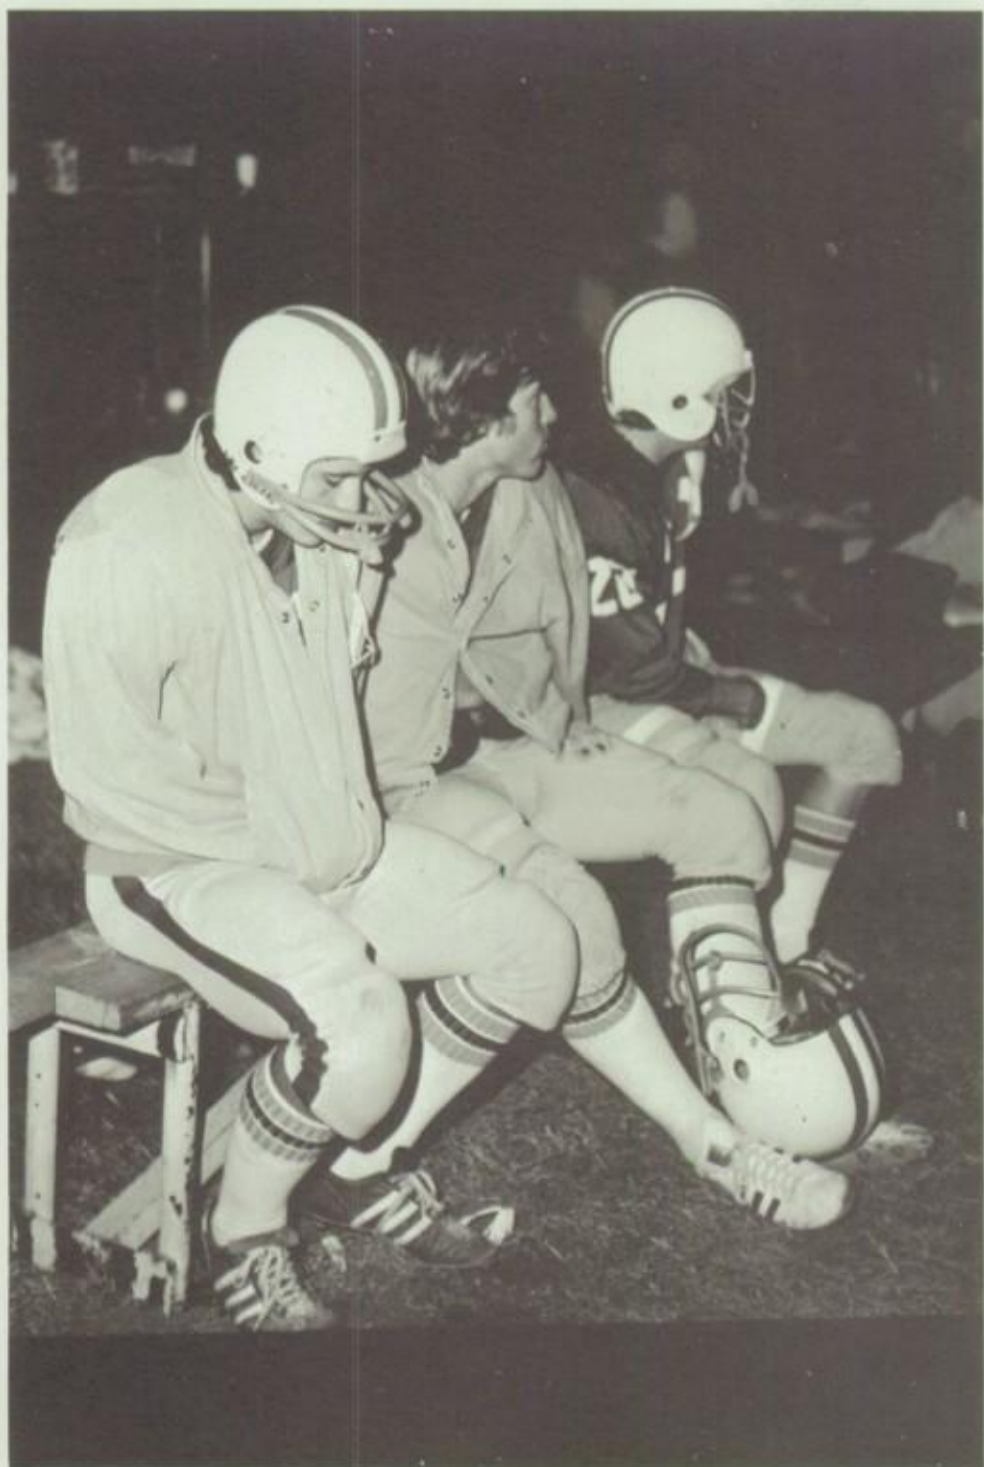

There are

People who
heal us;

Take our
hands and
lead us;

People who
love us.

**I need a
friend.**

**Someone to
talk with.**

**Someone to
assist me
and be
assisted by me.**

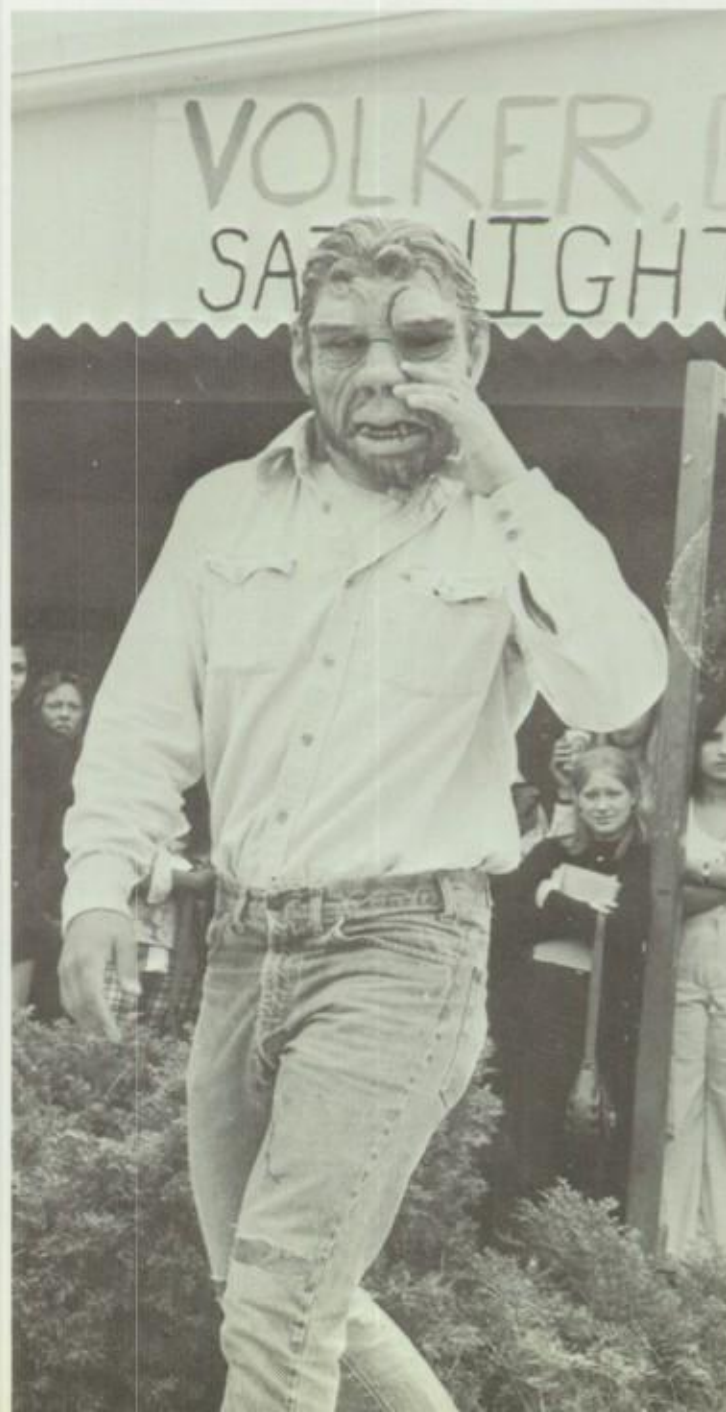

I need to come
self to self with
others.

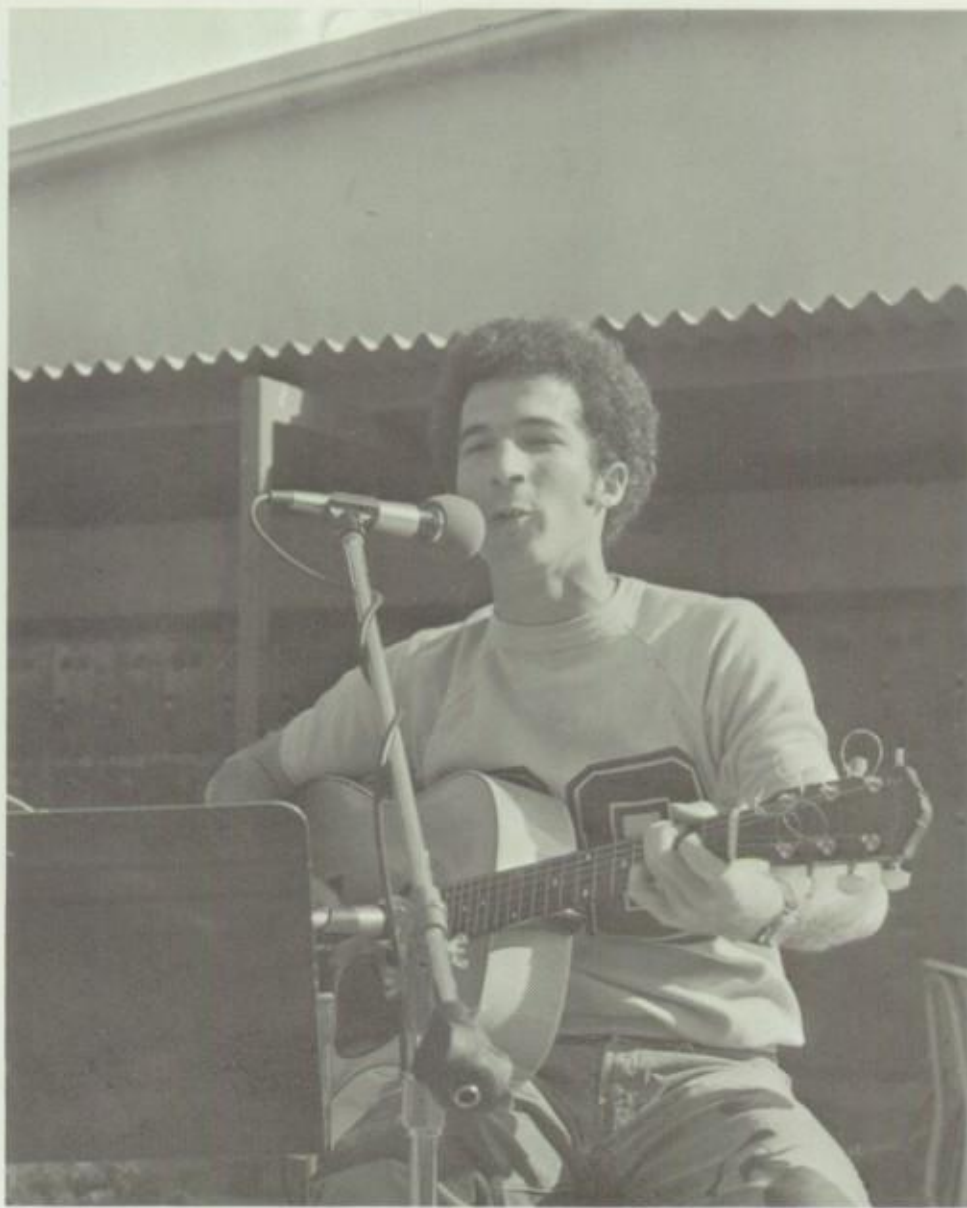

There are people who sing
for us;

Who laugh for us and dance
for us.

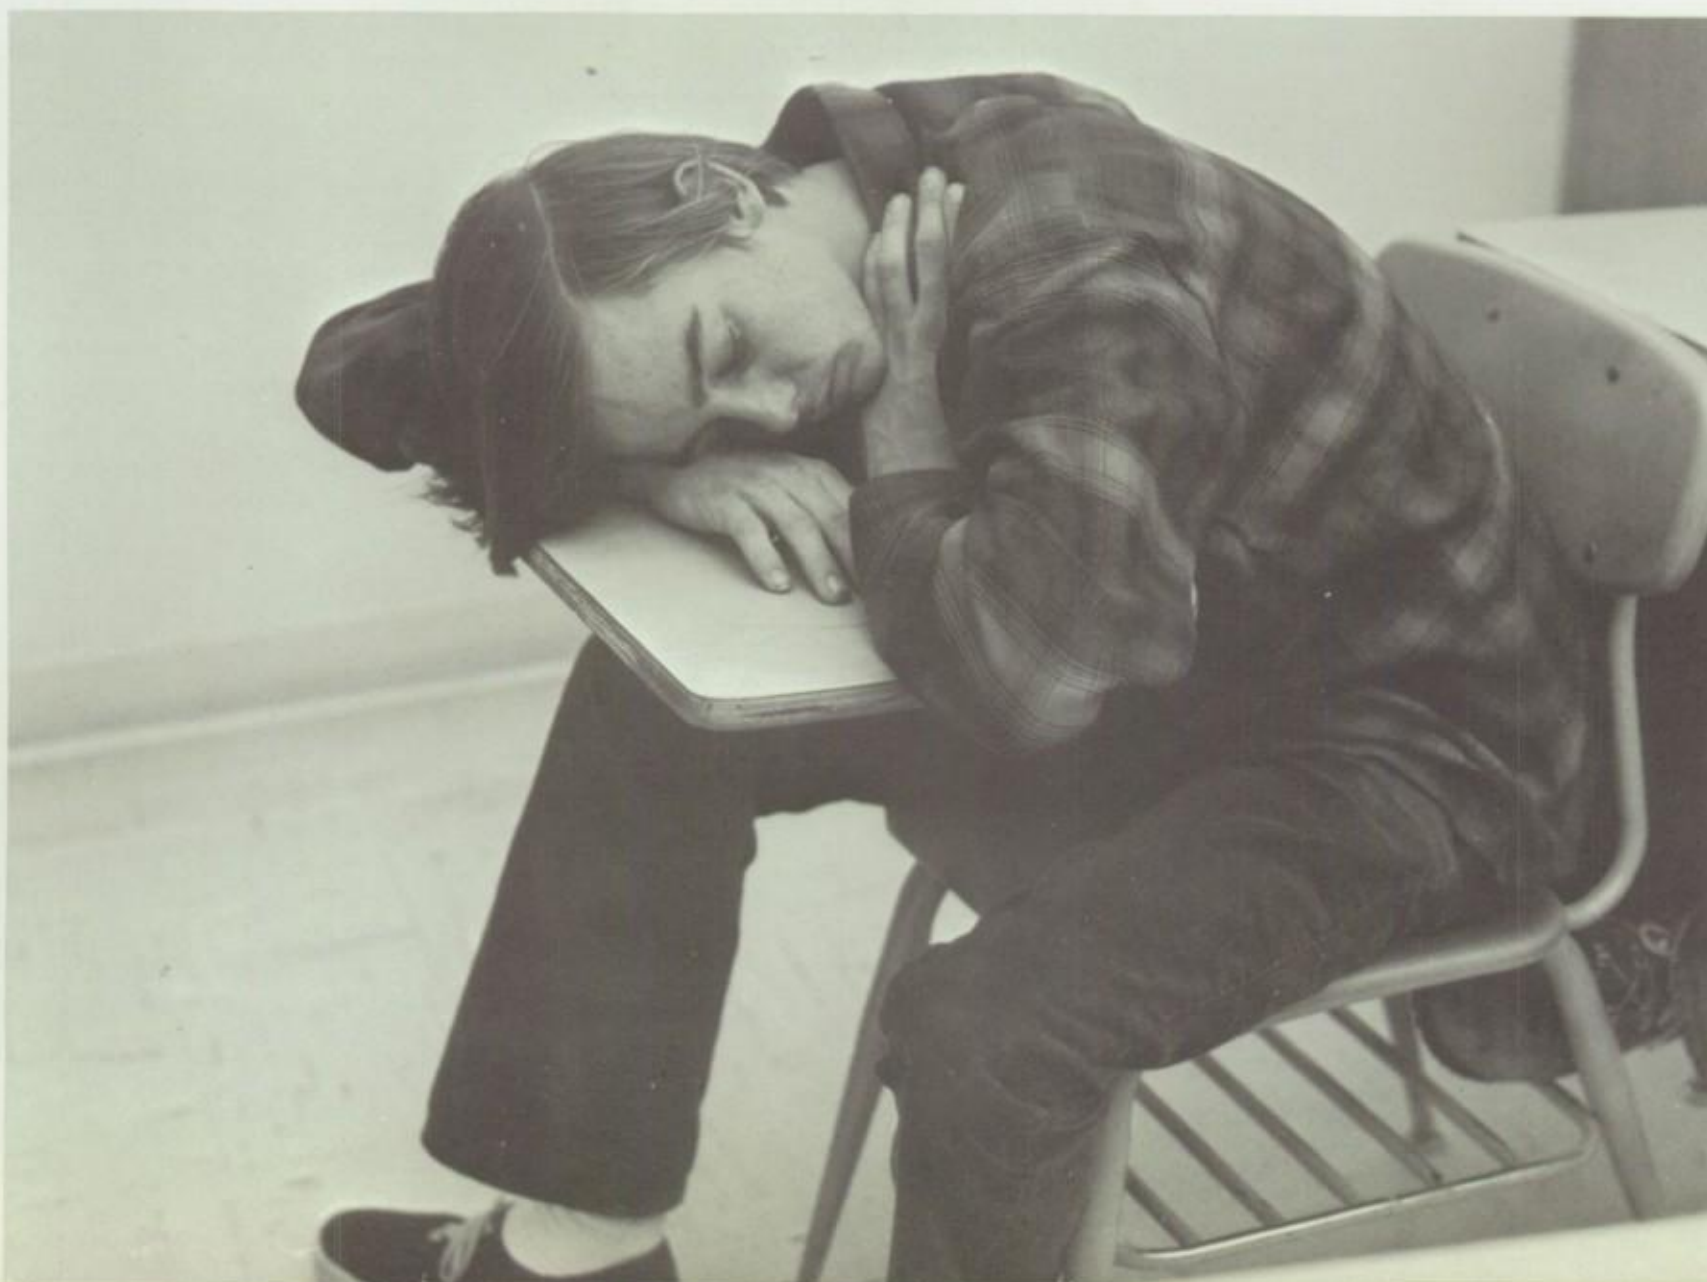

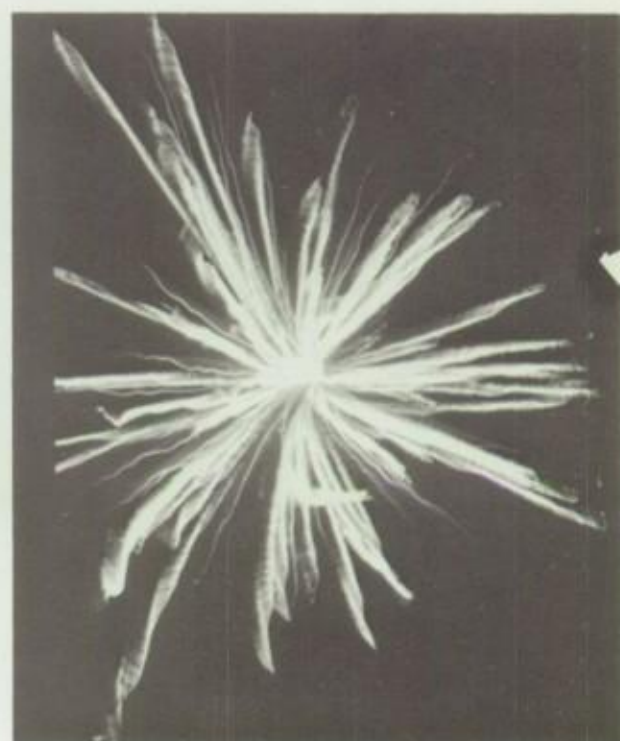

Take your knowledge
and live it.

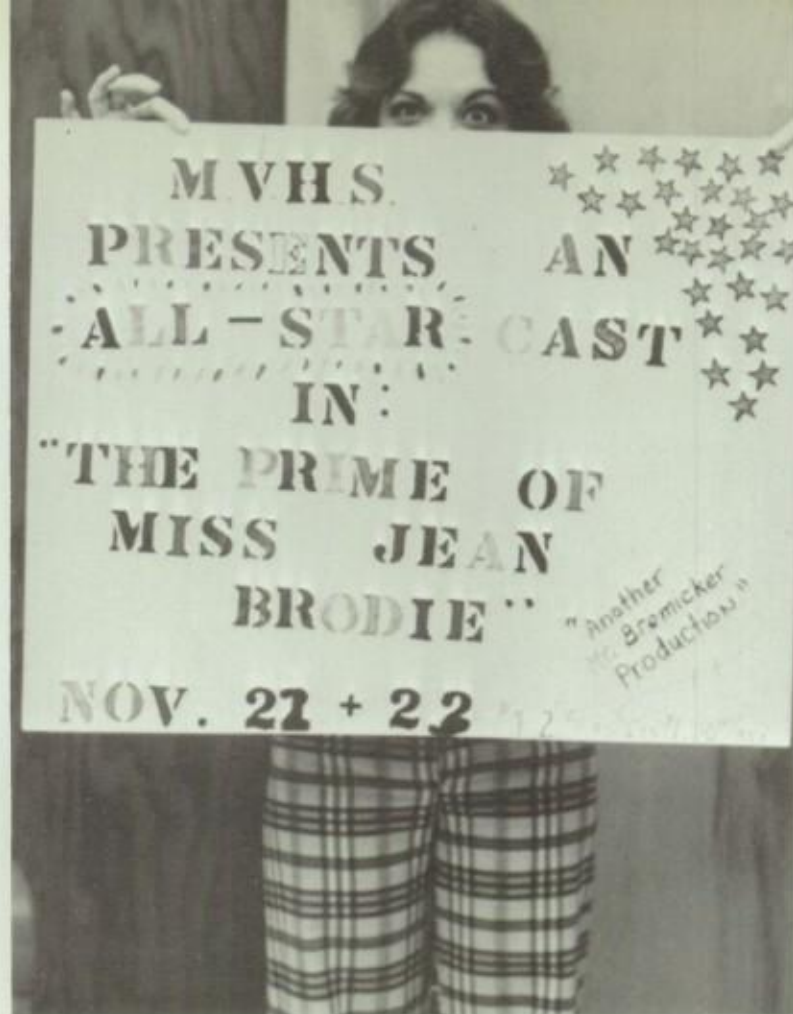

Make it a thing of
love and ecstasy.

Create for Mankind.

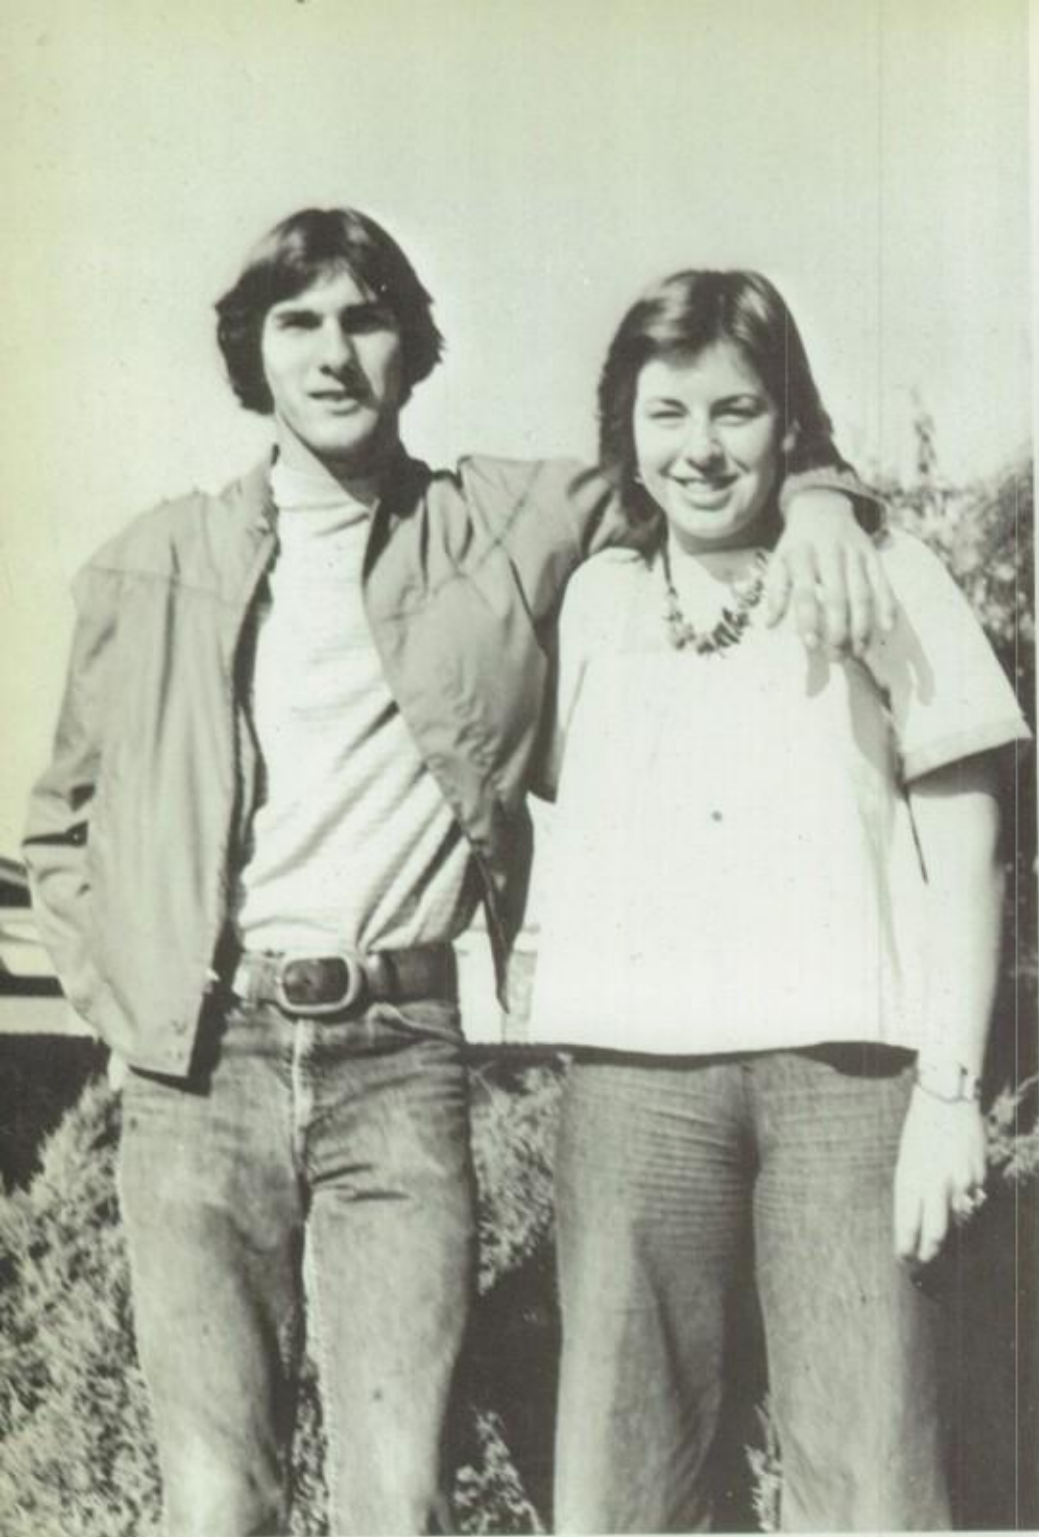

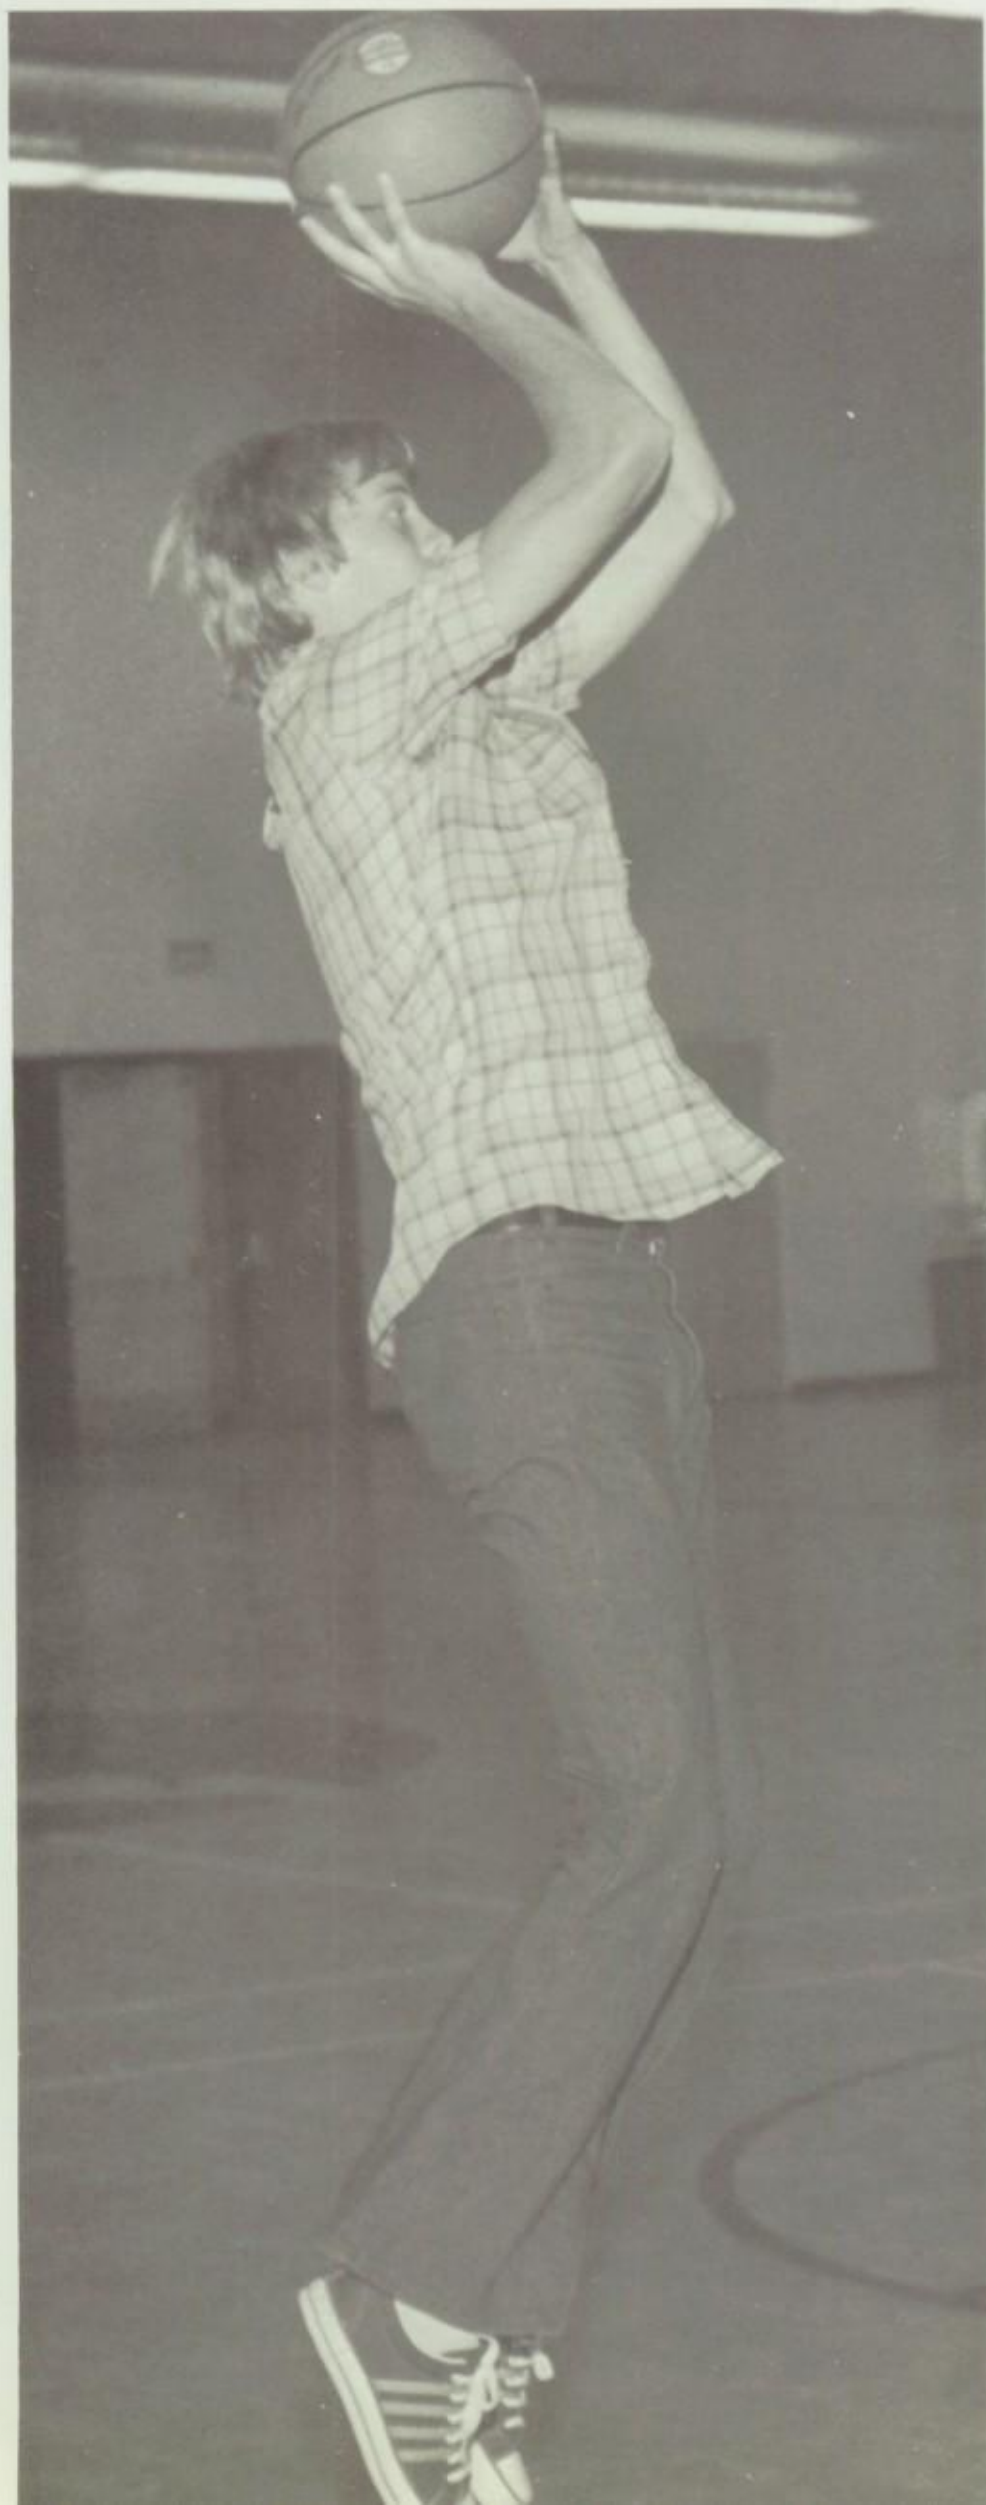

Innumerable
are the ways
to create.

Find your way,
for your sake . . .

And the sake
of others.

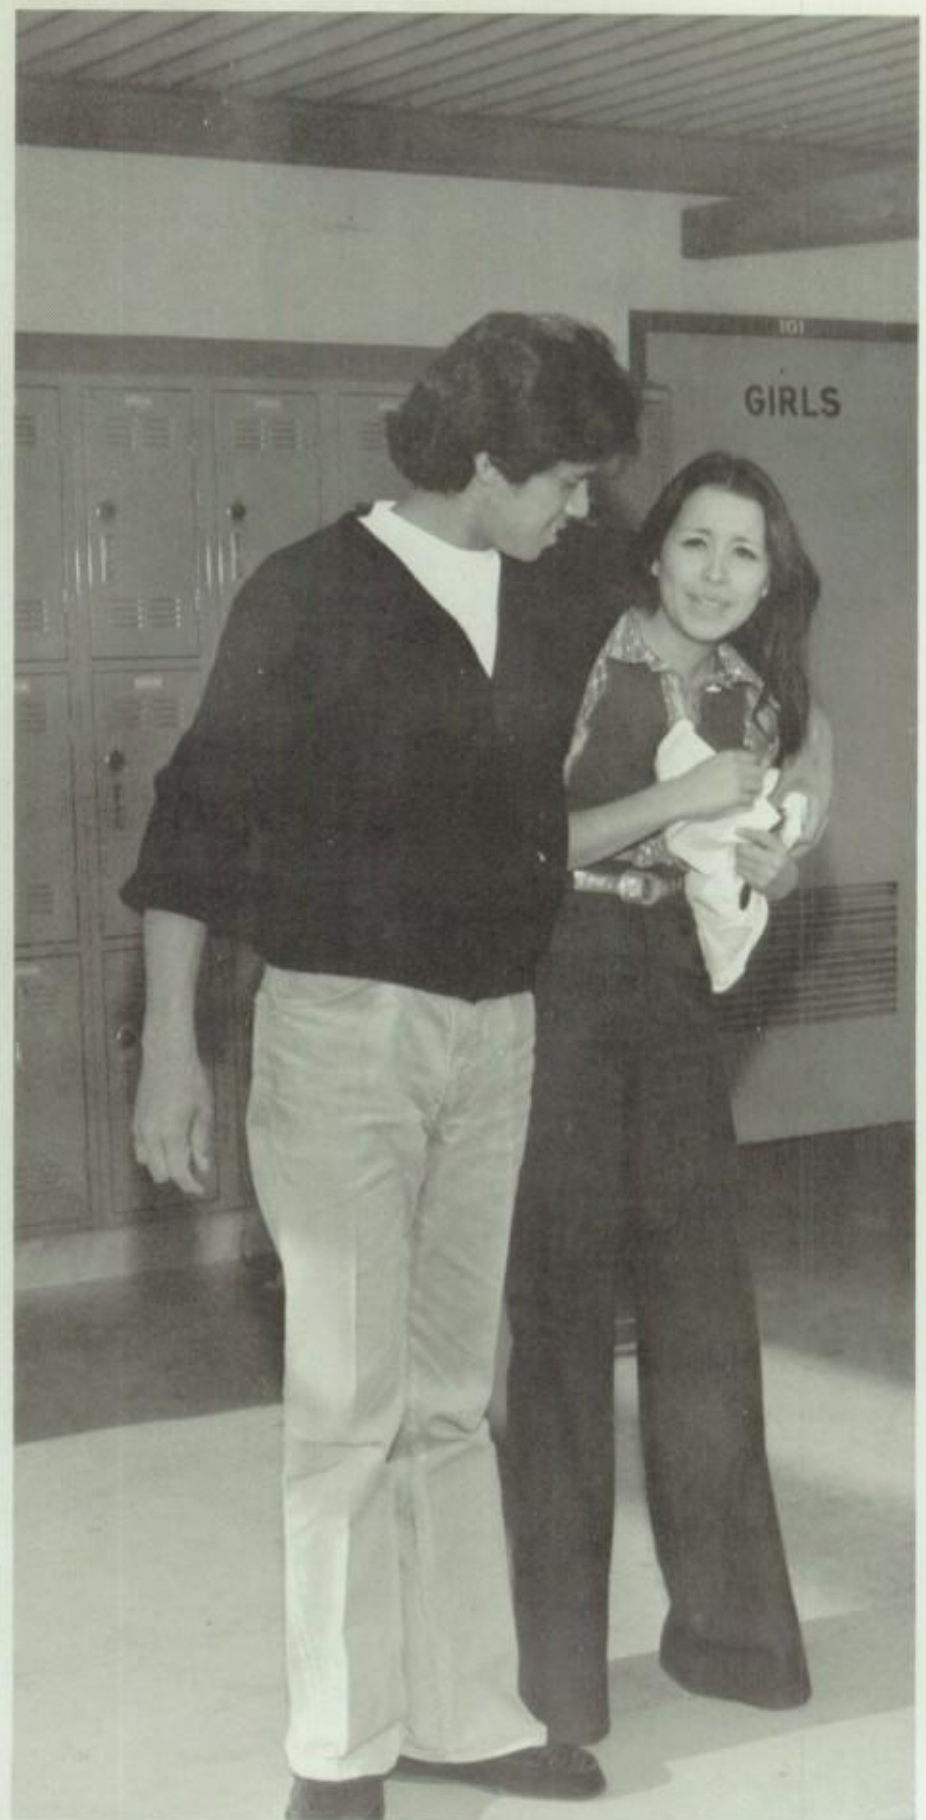

**You have much to
learn;**

Much to live for;

Much to create.

We are different.

**Yet when we laugh,
it is much the same.**

**We're not really
different.**

**The human bond
makes us alike.**

Nothing Solitary
exists.

Believe it.

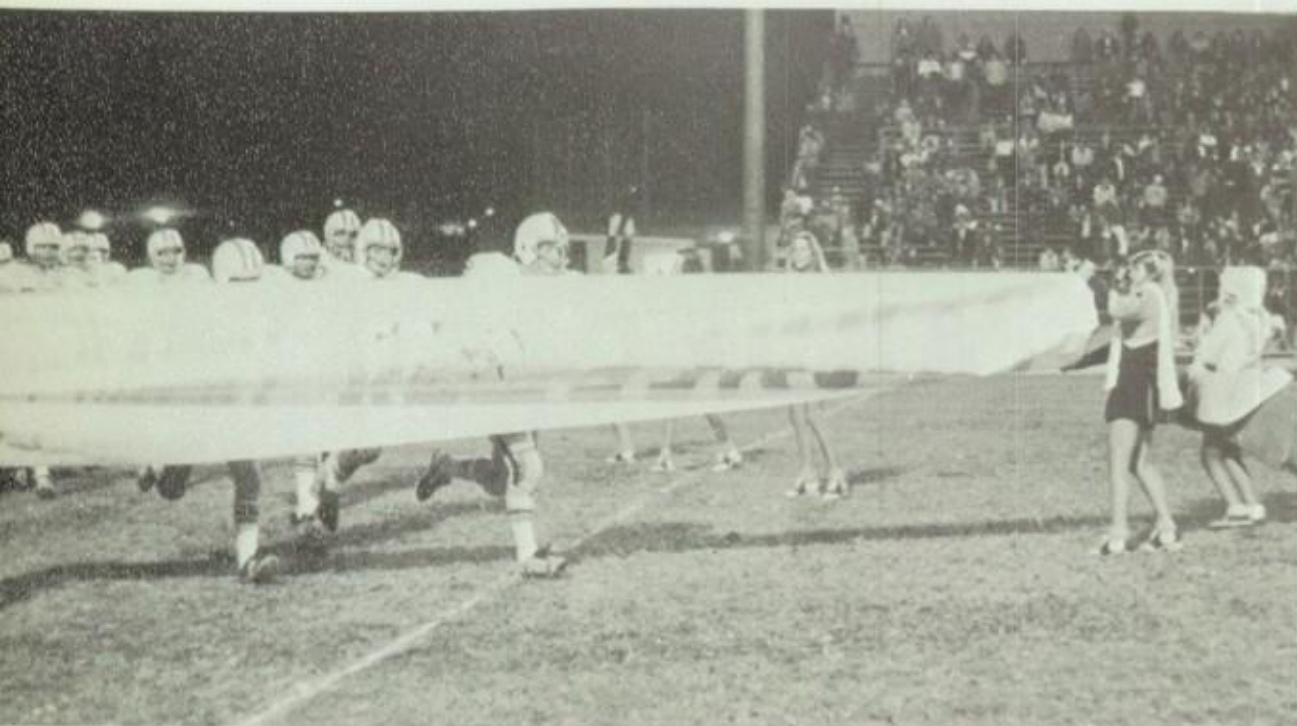

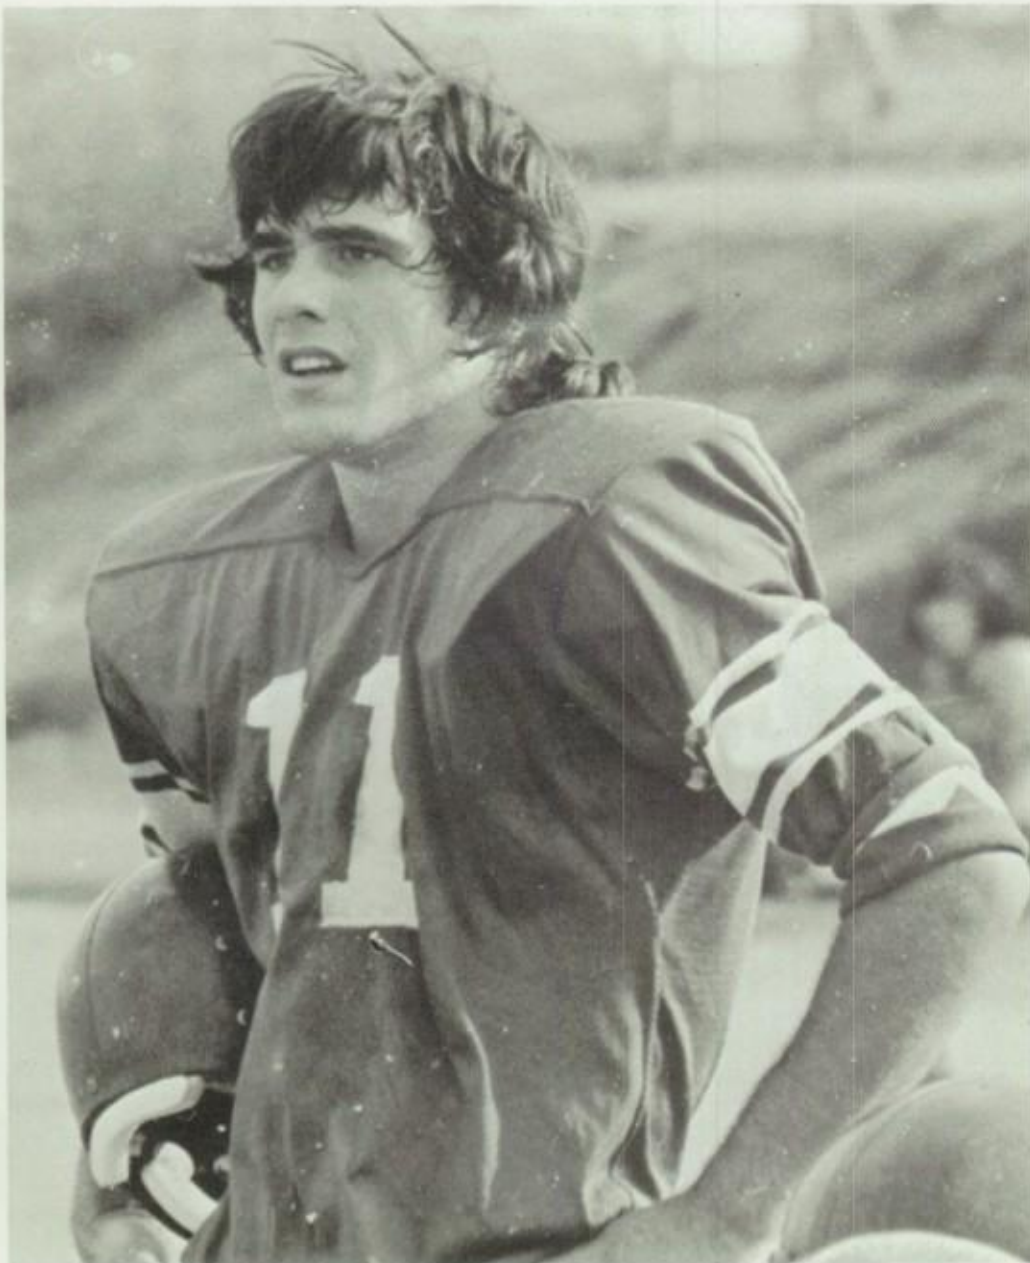

**The deepest
feeling always
shows itself
in silence.**

In experience lies
the future.

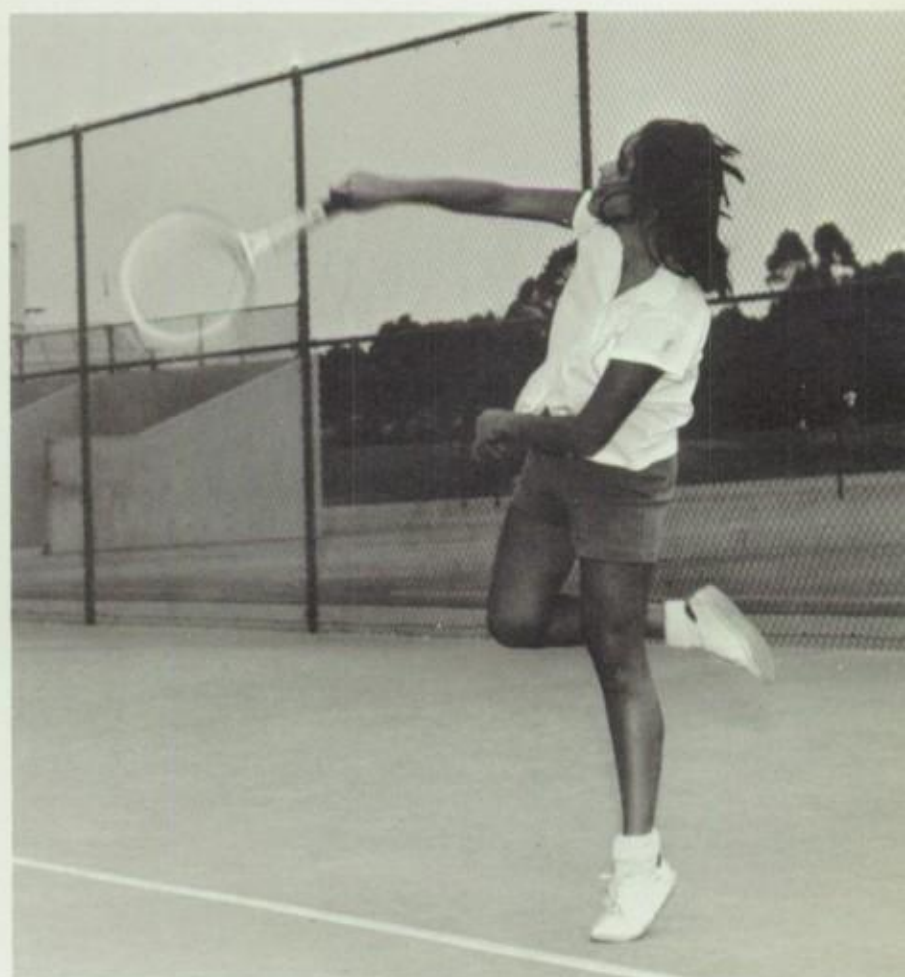

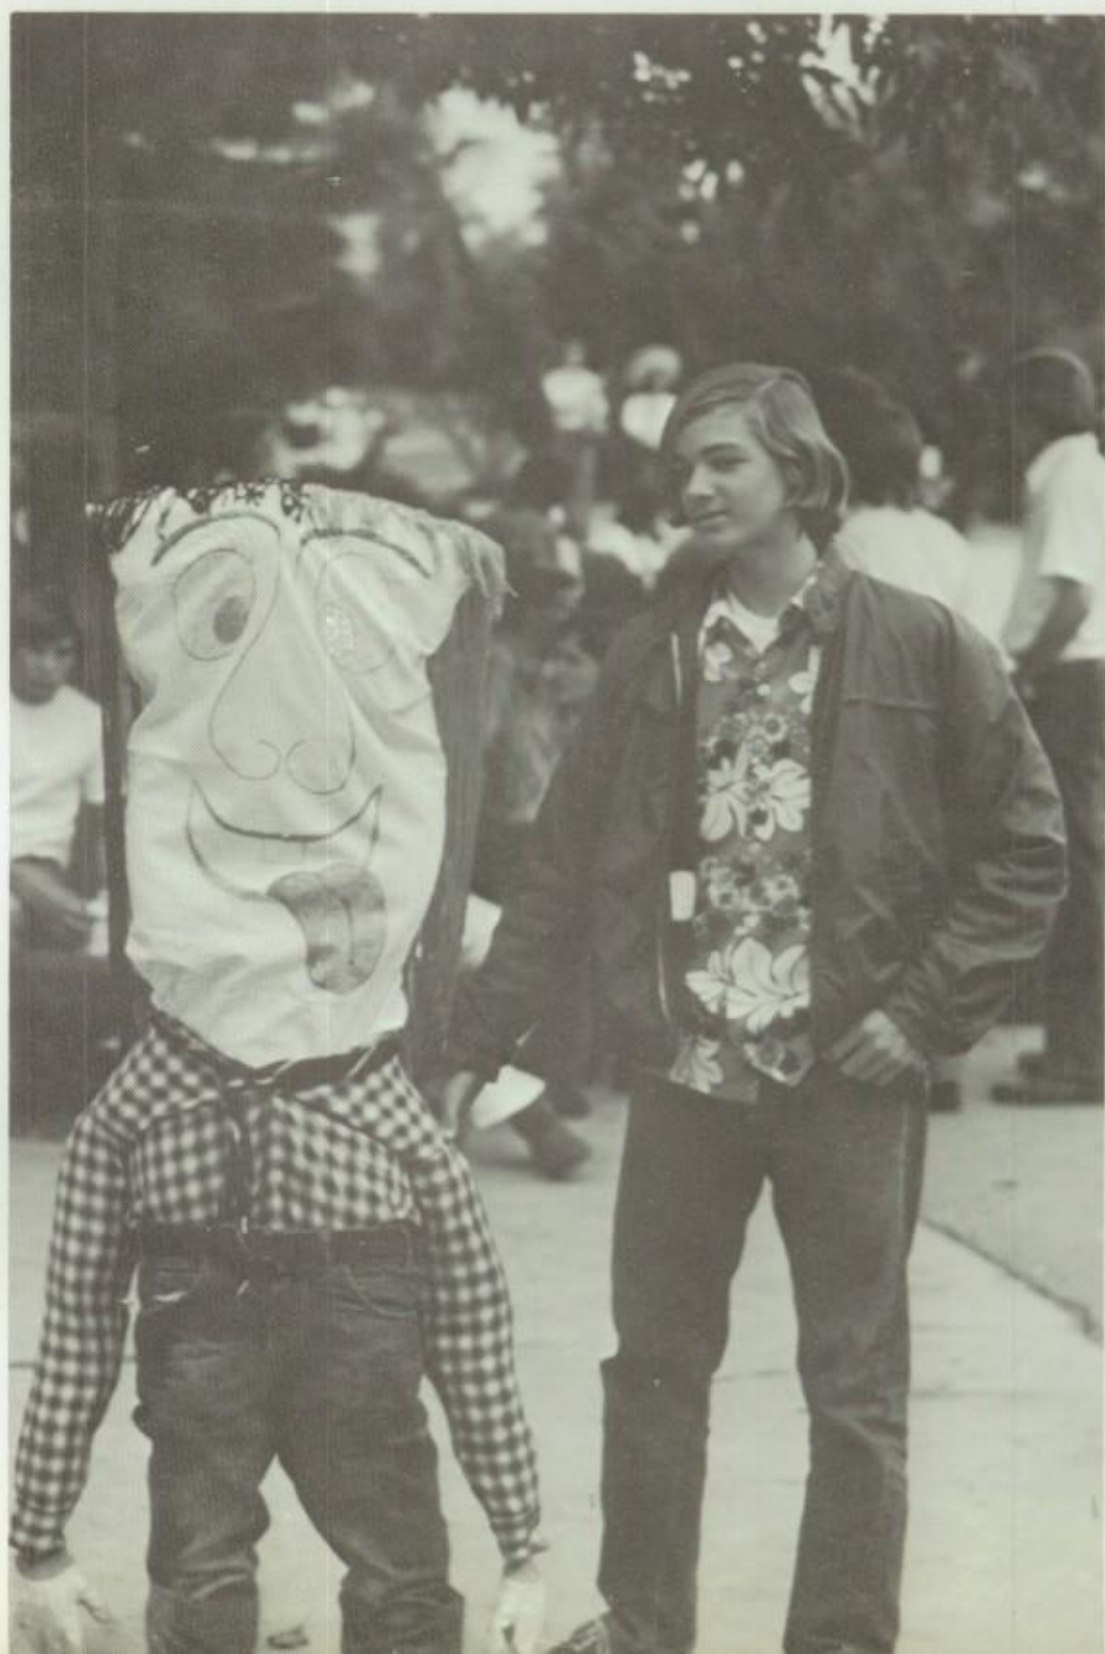

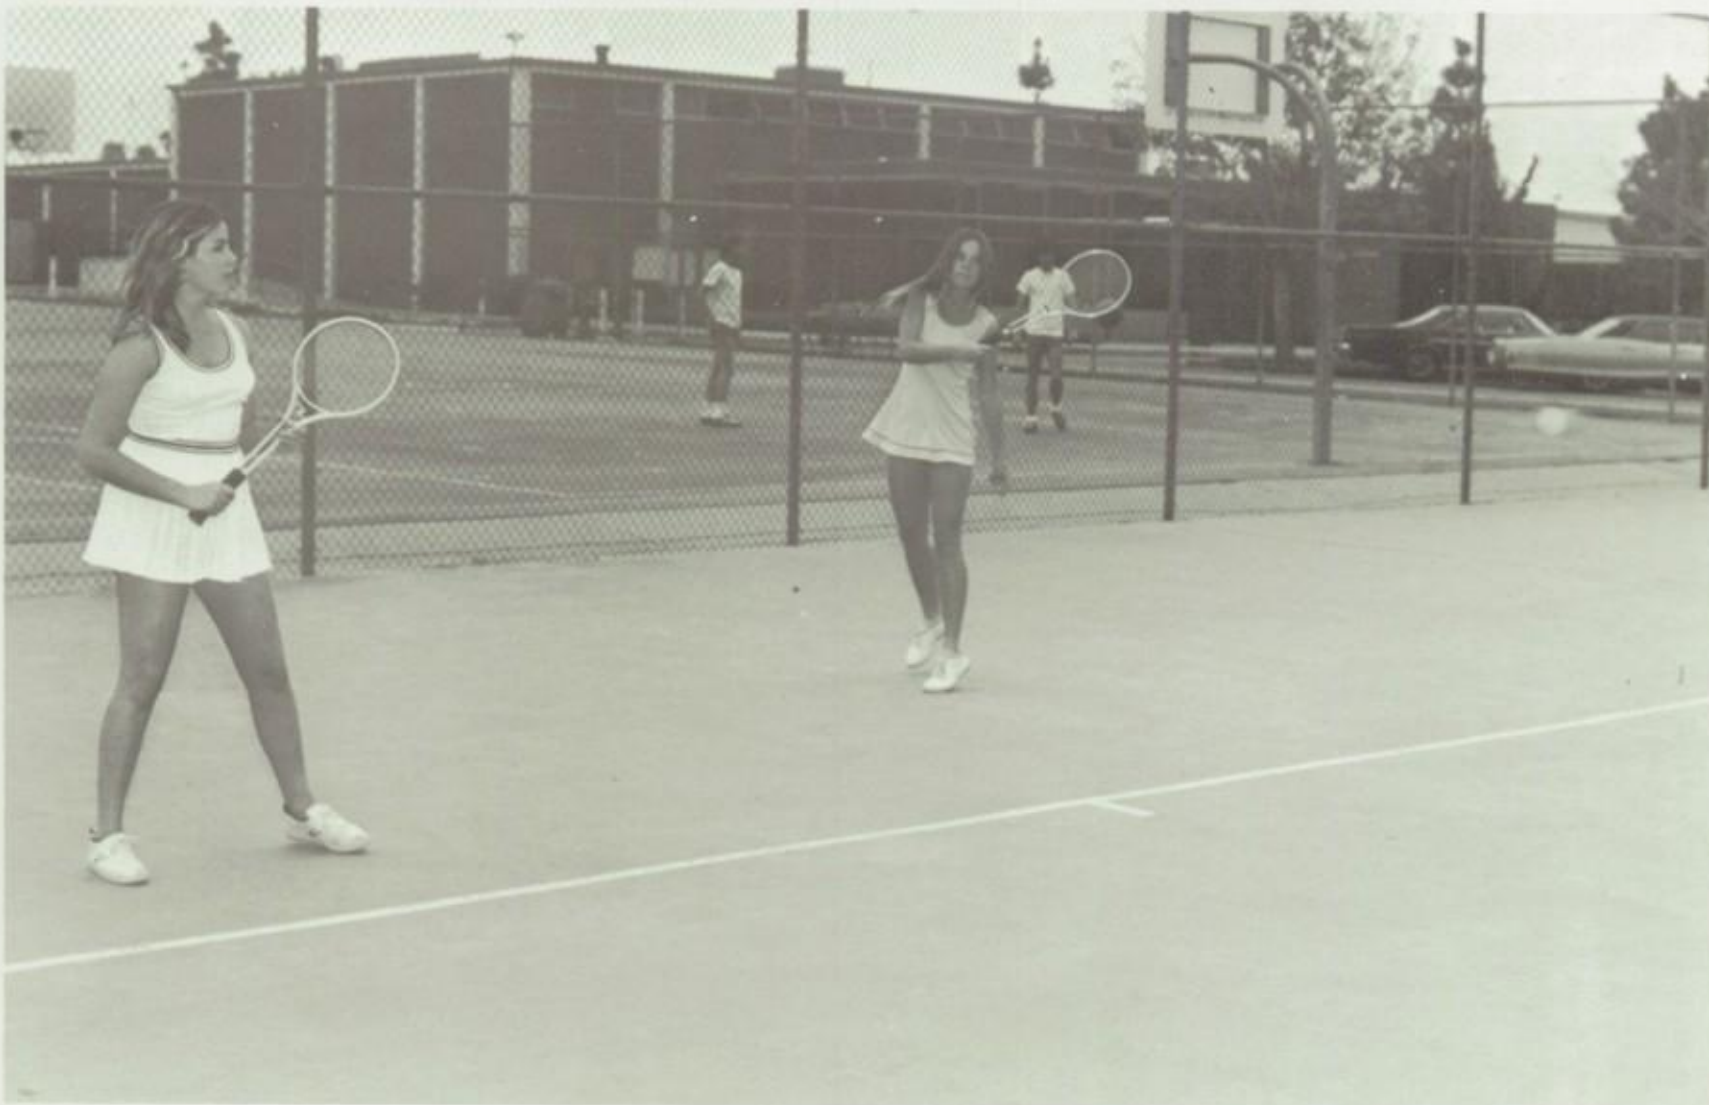

The main thing
in life is not to
be afraid to be
human.

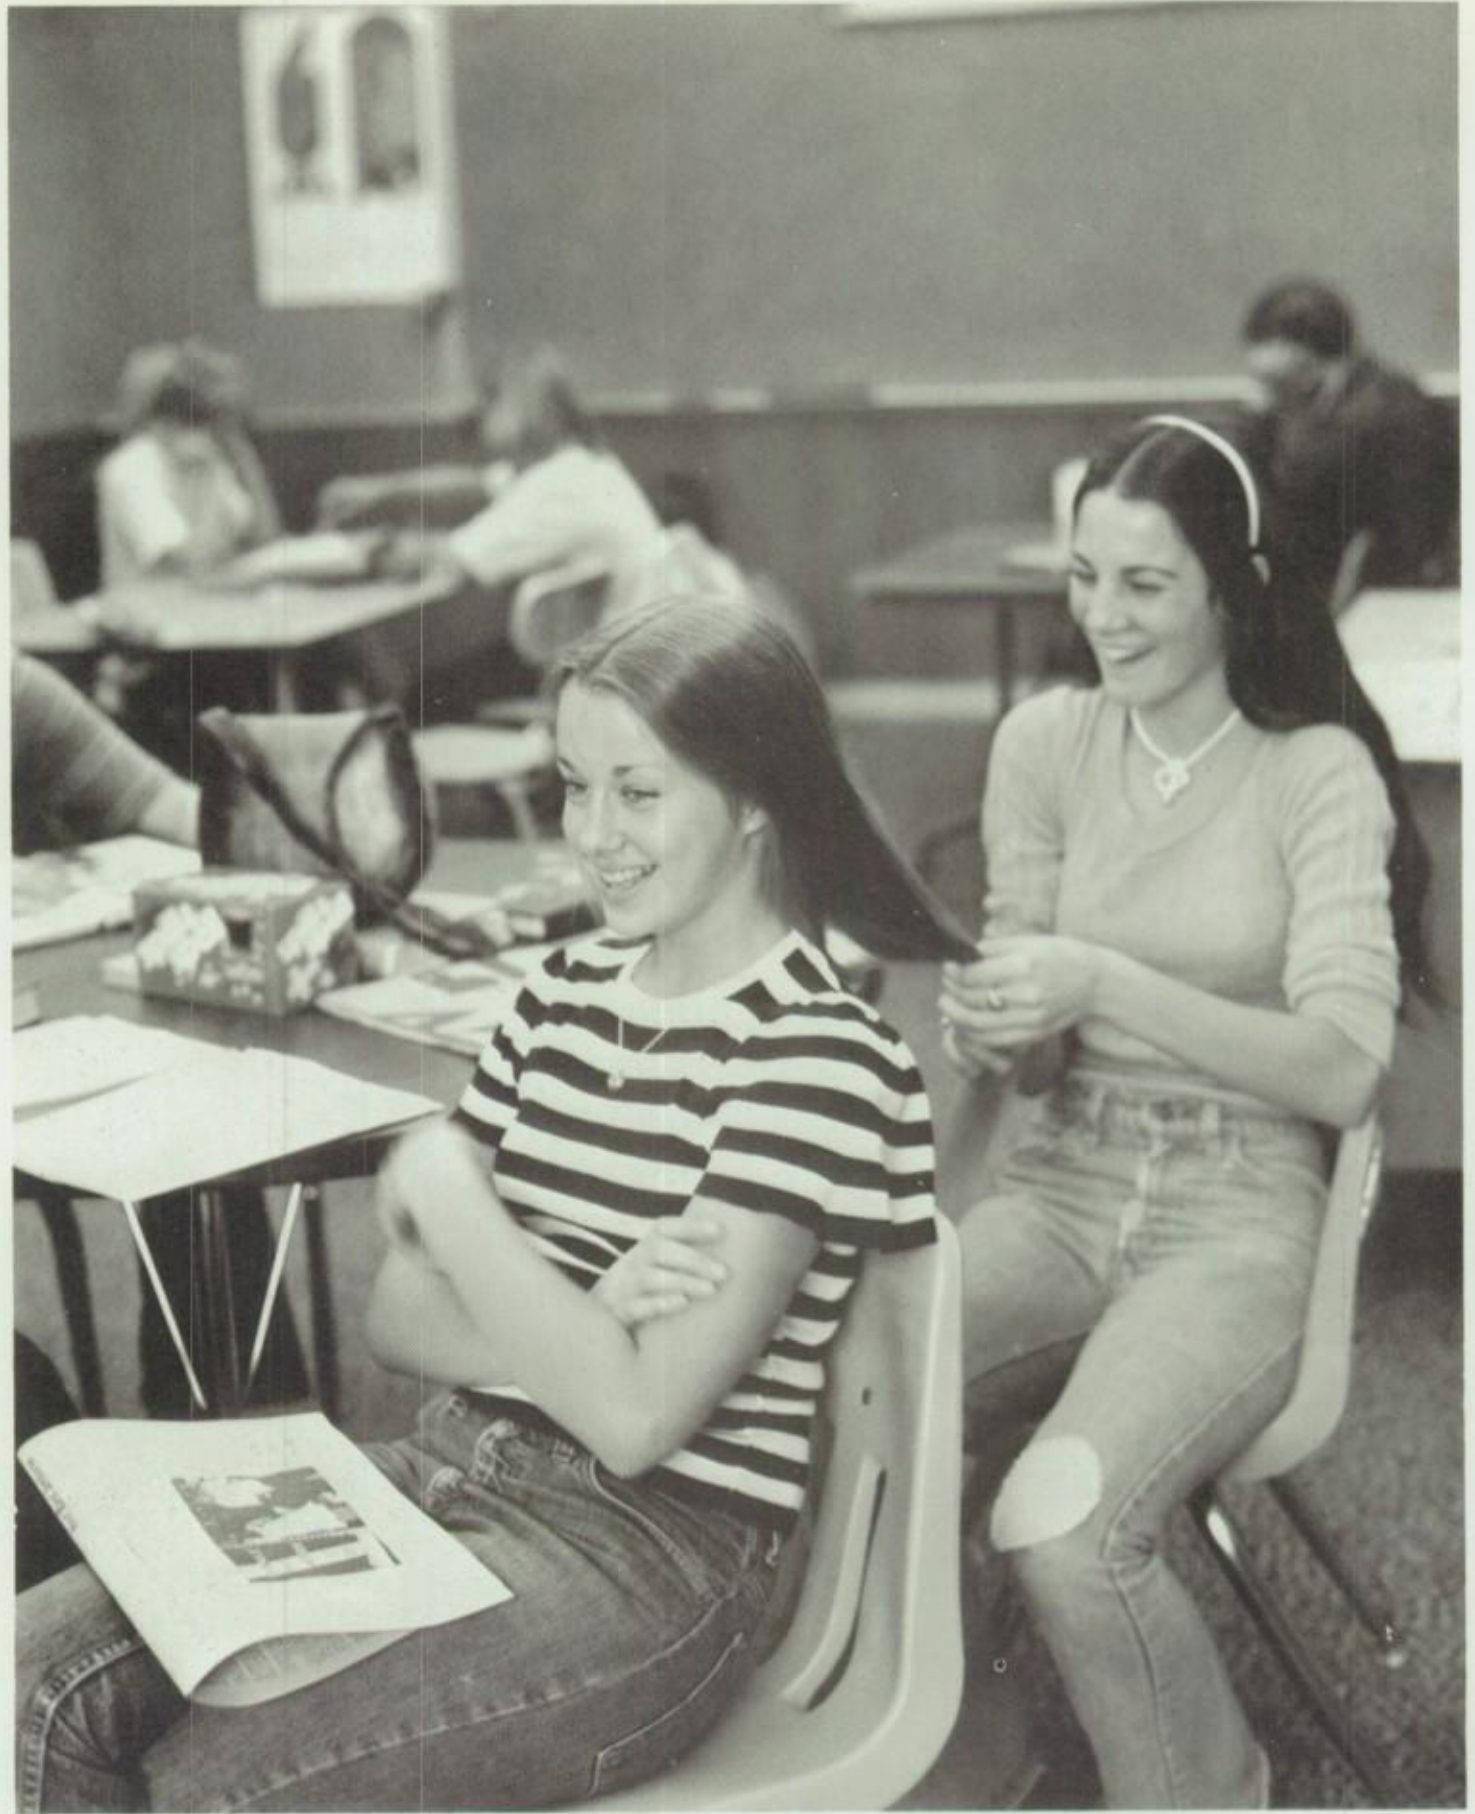

**Togetherness
is
Happiness.**

Full
Existence
is
Joy.

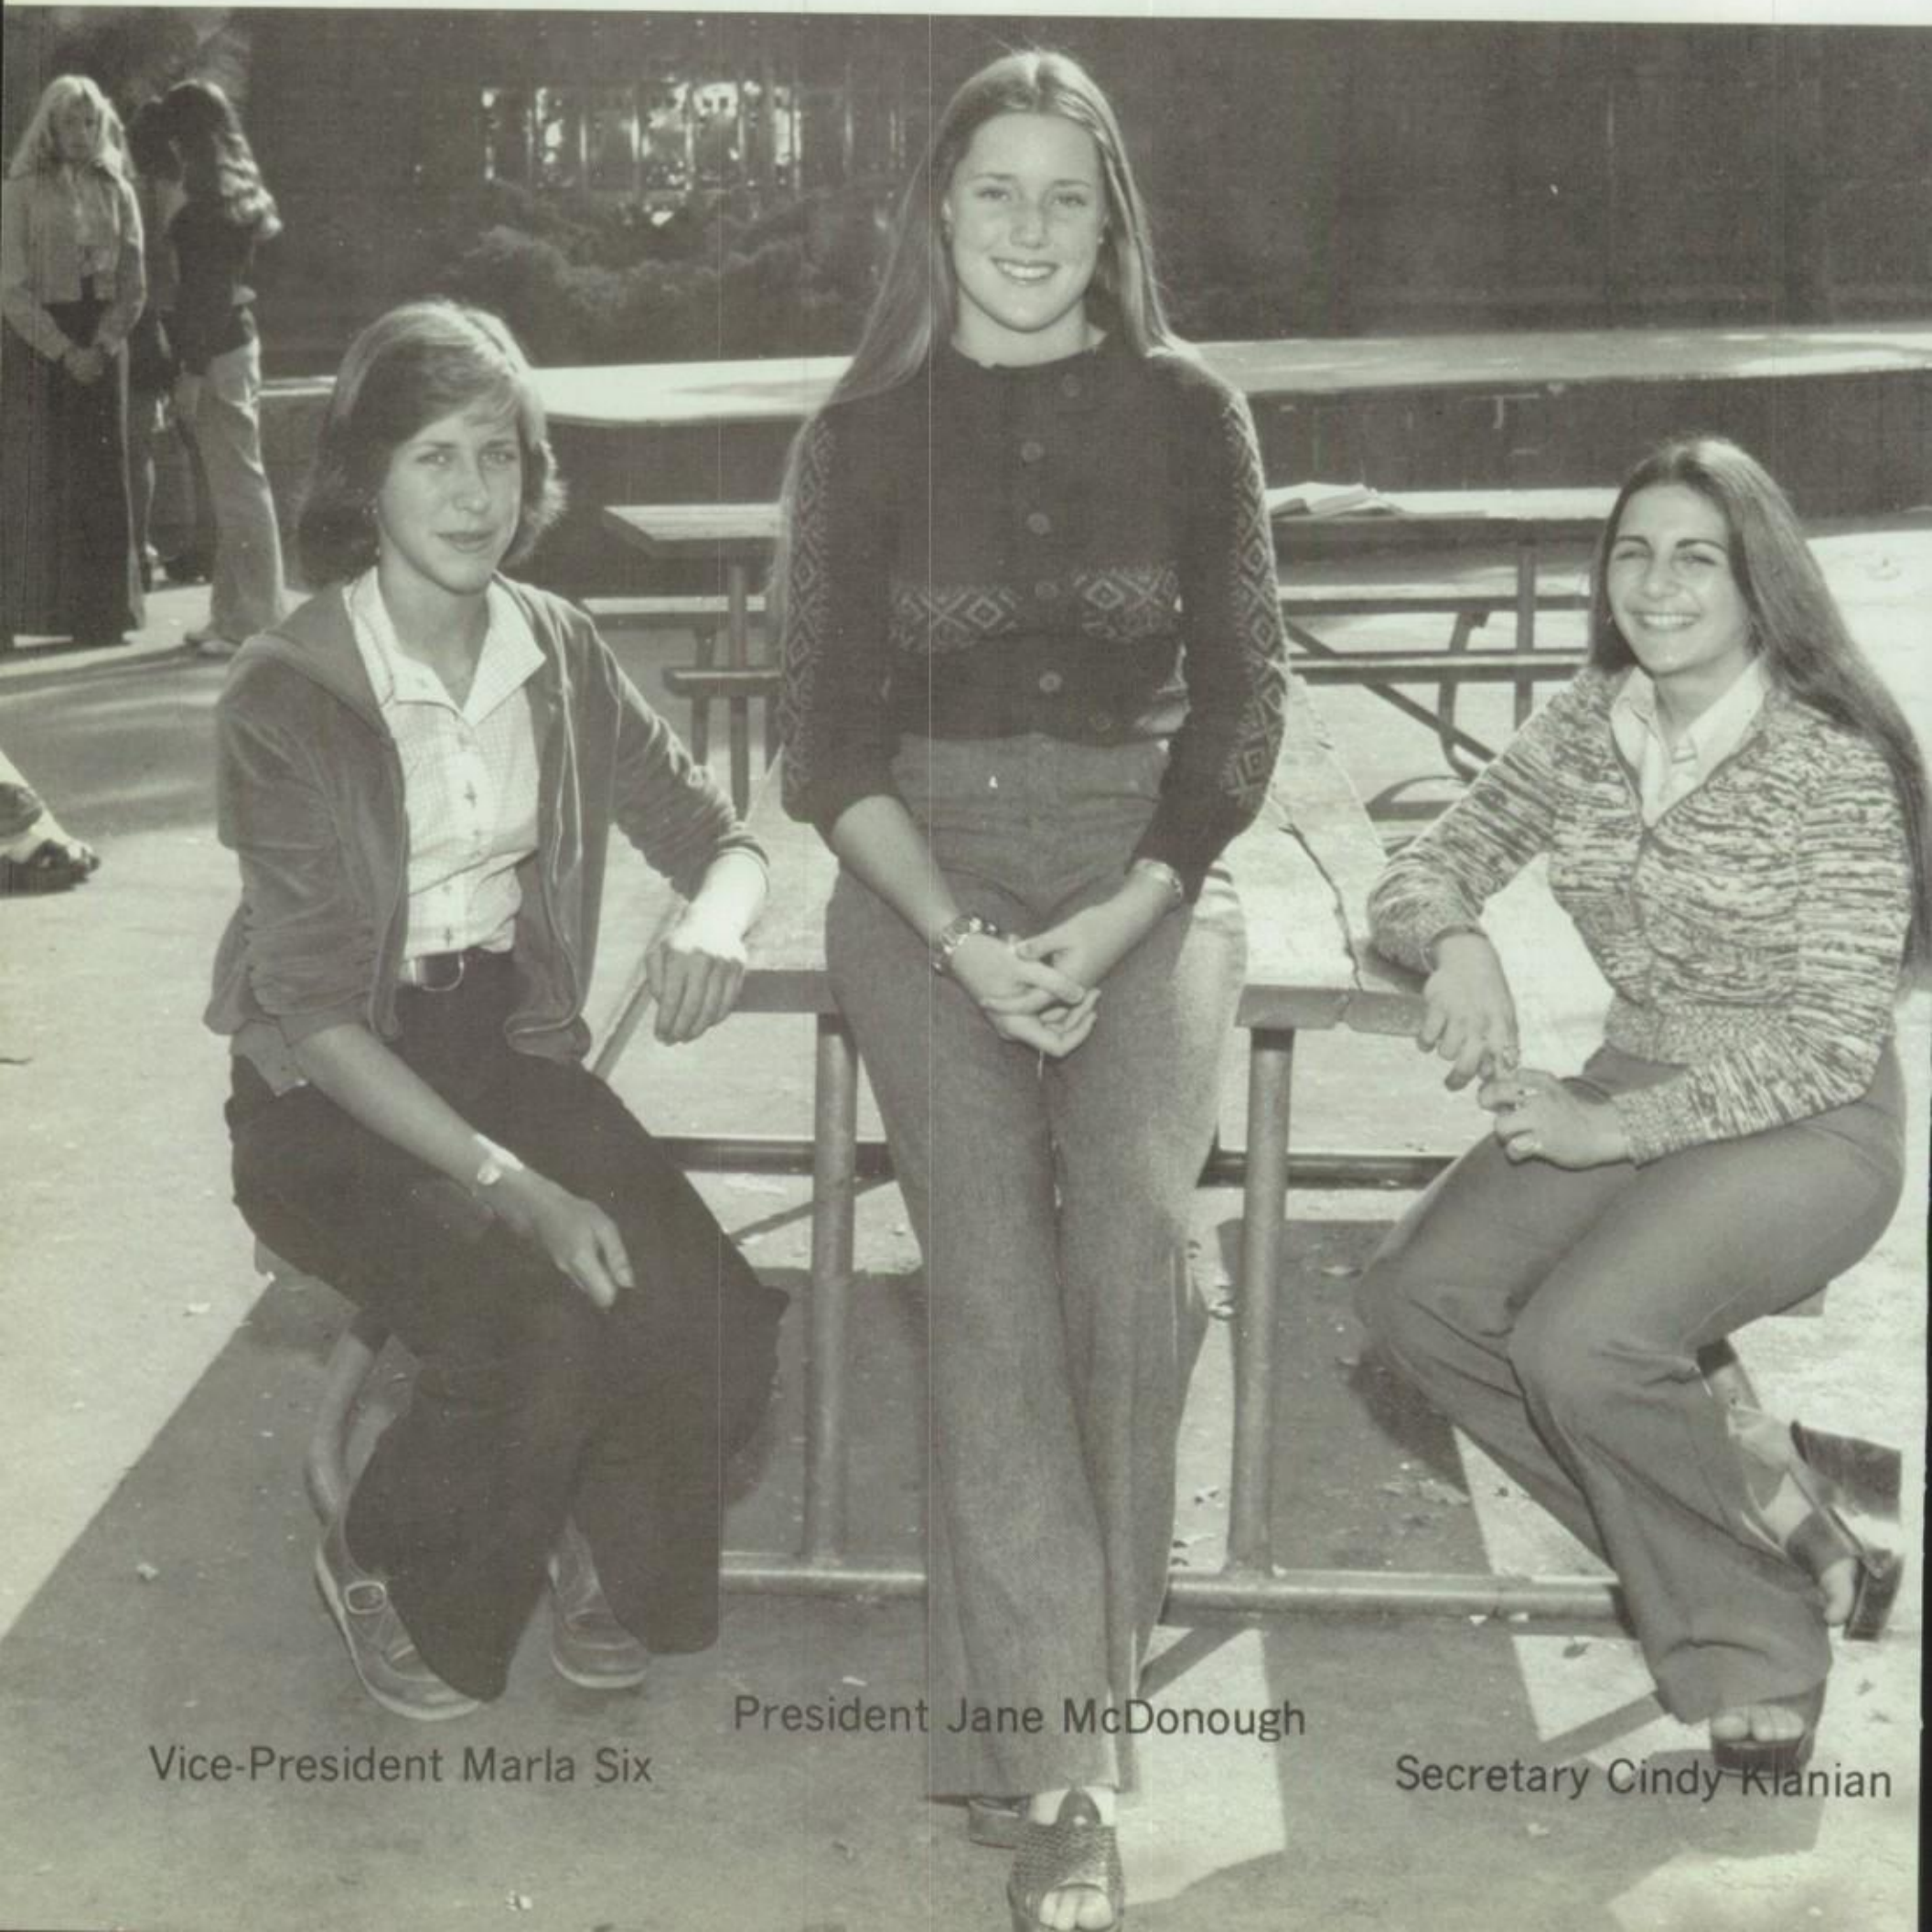

**Stand up
and
Celebrate.**
